- Place your order by August 26th to guarantee timely delivery and availability.

- Kosher Sim cards only work with Kosher phones.

- You buy the line **without being tied down to a contract** which gives you the option to close or suspend it at any time *once you have completed your initial three months of service.*

- To dial abroad from Israel, you must use your provider's exit code. Golan's is 00 and Hot's is 017. **Any other prefix will incur high fees.**

For example, a Golan user calls the US by dialing 00-1-201-555-5555 and a Hot user dials 017-1-212-555-5555, etc.

- After activation, all customer service for your Israeli phone line will be from your provider. Cellular Israel is not responsible for any issues that come up with your provider. Virtual numbers and other optional features are provided through Cellular Israel and must be cancelled directly with Cellular Israel.

- Prices are current to today's date and are subject to change by the provider at any time before activation. Cellular Israel is not responsible for changes in price.
